Electronic resource

Interactive e-learning resource and assessment tool package: Chainsaw Operation – 4 th edition (2024) *
☐ \$396.00 per USB drive – containing the following electronic files: - PowerPoint version of interactive e-learning presentation: <i>Chainsaw operation – Beginner to Advanced</i> - MP4 video version of the PowerPoint presentation (without the interactive elements) - assessment tools for all FWP and AHC chainsaw competencies (in PDF and customisable Word versions) - mapping documents for assessment tools (in customisable Word versions) Note that there are conditions of usage that apply to this electronic resource – see overleaf for details. By ticking the box above, you are confirming that you have agreed to abide by these conditions, unless written approval is granted by Workspace Training for other uses.

* All unit prices include GST and postage within Australia. Please see notes on next page for more details.

Details on resources

Below are further details on the chainsaw training resources listed. For more information, and to see excerpts from the resources, please go to the Workspace Training website at: www.workspacetraining.com.au.

Hard copy booklets

Chainsaw operation – Maintenance, Crosscutting and Pruning (4th Edition, 2024) covers five chainsaw competencies and one pole saw competency, plus information on tree defect assessment and environmental care.

Chainsaw operation – Beginner to Advanced (4th Edition, 2024) covers all material contained in *Chainsaw operation – Maintenance, Crosscutting and Pruning*, plus FWP and AHC tree falling competencies.

Competencies covered:	<i>FWPCOT3301: Trim trees using a pole saw</i>
<i>AHCMOM213: Operate and maintain chainsaws</i>	<i>FWPCOT2273: Trim and cut felled trees</i>
<i>AHCPCM205: Fell small trees</i>	<i>FWPCOT2275: Fell trees manually (basic)</i>
<i>FWPCOT2254: Maintain chainsaws</i>	<i>FWPCOT3350: Fell trees manually (intermediate)</i>
<i>FWPCOT2259: Cut materials with a hand-held chainsaw</i>	<i>FWPCOT3351: Fell trees manually (advanced)</i>

Interactive e-learning resource

Chainsaw Operation – 4th edition (2024) comprises the following electronic files on a USB drive:

- PowerPoint e-learning presentation of *Chainsaw operation – Beginner to Advanced*, with self-advancing slides, voice over narration, animated graphics, embedded video clips and interactive learning exercises
- MP4 video version of the PowerPoint presentation, without the interactive learning exercises
- sample assessment tools and accompanying mapping documents (in PDF and customisable Word versions) for FWP and AHC chainsaw competencies current as of April 2024.

The following **conditions of usage** apply to the interactive e-learning resource:

1. The assessment tools are provided as 'samples' only, and are designed to be customised by the purchaser to suit their own target audience and RTO compliance requirements. Although there are competency mapping documents provided, purchasers are responsible for reviewing their own assessment tools to ensure that they meet all necessary requirements under the *Standards for RTOs* and any other ASQA directives.
2. Purchasers are free to customise or rework the content material in the assessment tools and the e-learning resource. However, these materials must only be used within the purchaser's own organisation (as listed in 'Client details' on this order form) and with their own staff and students. Purchasers must not distribute or re-sell the materials, or allow them to be used outside their organisation, unless express permission has been given by Workspace Training.

Payment

You will be sent an invoice for payment prior to your package being posted. Please note that no credit card payment facilities are available. EFT and cheques payments only are accepted. Banking details will be provided on the invoice.
